| | | t not be inside another | configuration. | | | | | |
| | | g testing for compliance | Configuration. | | | | | |
| | | requirements. Unless the | | | | | | |
| | | nodule will be battery | | | | | | |
| | | nust comply with the AC | | | | | | |
| | | ed requirements found in | | | | | | |
| | | 07. AC or DC power lines | | | | | | |
| | and data inpu | ut/output lines connected to | | | | | | |
| | | nust not contain ferrites, | | | | | | |
| | | vill be marketed with the | | | | | | |
| | | Section 15.27(a)). The | | | | | | |
| | _ | se lines shall be the length | | | | | | |
| | | tual use or, if that length is | | | | | | |
| | | least 10 centimeters to | | | | | | |
| | | nere is no coupling between | | | | | | |
| | the case of the | ne module and supporting | | | | | | |

| equipment. Any accessories, peripherals, or support equipment connected to the | |
|---|---|
| | |
| modula during testing shall be | |
| module during testing shall be | |
| unmodified and commercially available | |
| (see Section 15.31(i)). | |
| The modular transmitter must be The Module will be labeled with its own | Y |
| equipped with either a permanently FCC ID, and the instruction on the | |
| affixed label or must be capable of labeling rule of the end product has been | |
| electronically displaying its FCC stated in the User Manual of this | |
| identification number. module. Please refer to the Label and | |
| (A) If using a permanently affixed label, the User Manual exhibition. | |
| modular transmitter must be labeled with its own | |
| FCC identification number, and, if the FCC | |
| identification number is not visible when the | |
| module is installed inside another device, then | |
| the outside of the device into which the module is | |
| installed must also display a label referring to | |
| the enclosed module. This exterior label can use | |
| wording such as the following: "Contains Transmitter Module | |
| FCC ID: XYZMODEL1" or "Contains FCC ID: | |
| XYZMODEL1." Any similar wording | |
| that expresses the same meaning may be used. | |
| The Grantee may either provide such a label, an | |
| example of which must be included in the | |
| application for equipment | |
| authorization, or, must provide adequate | |
| instructions along with the module which explain this requirement. In the latter case, a copy of | |
| these instructions must be included in the | |
| application for equipment authorization. | |
| (B) If the modular transmitter uses an electronic | |
| display of the FCC identification number, the | |
| information must be readily accessible and | |
| visible on the modular transmitter or on the | |
| device in which it is installed. If the module is installed inside another device, then the outside | |
| of the device into which the module is installed | |
| must display a label referring to the enclosed | |
| module. This exterior label can use wording such | |
| as the following: | |
| "Contains FCC certified transmitter module(s)." | |
| Any similar wording that expresses the same | |
| meaning may be used. The user manual must | |
| include instructions on how to access the electronic display. A copy of these instructions | |
| must be included in the application for | |
| equipment authorization. | |
| | Y |
| with any specific rules or operating and all the instructions for maintaining | |
| requirements that compliance have been clearly stated in | |
| ordinarily apply to a complete the User Manual. | |
| transmitter and the manufacturer must | |
| | |
| provide adequate instructions along with | |
| the module to explain any such | |
| requirements. A copy of these | |
| instructions must be included in the | |
| application for equipment authorization. | |

| 8 | The modular transmitter must comply | Please refer exhibition RF Exposure for | Y |
|---|--|---|---|
| | with any applicable RF exposure | the compliance of MPE RF exposure | |
| | requirements in its final configuration. | rule. | |
